

SGX-Listed Global Invacom Appoints Mr Matthew Garner As Chief Financial Officer

DMG & Partners Securities Pte Ltd (“DMG”) was the financial adviser to Global Invacom Group Limited in relation to the acquisition of Global Invacom Holdings Limited. DMG assumes no responsibility for the contents of this press release.

Singapore, 13 November, 2013 – SGX Mainboard-listed **Global Invacom Group Limited (“Global Invacom” or “the Group”)**, a fully integrated satellite communications equipment provider, announced today that it has appointed Mr Matthew Garner as Chief Financial Officer (CFO) with effect from 16 December 2013.

Mr Garner, aged 49, has extensive financial and commercial management experience of over 24 years. He has been certified as an Associate Chartered Management Accountant since 1996 and holds a Degree in Law with Honours.

Mr Garner has been a Finance Director for over eight years with a manufacturer of inter-connected solutions for the Military, Aerospace, Industrial and Mass Transit sectors listed on the New York Stock Exchange.

“On behalf of the Board of Directors, we warmly welcome Matthew. He brings a wealth of experience in financial matters as well as knowledge of manufacturing in the high-technology sector. His experience will be invaluable for Global Invacom as it charts its growth strategy,” said Mr Tony Taylor, Executive Chairman of Global Invacom.

About Global Invacom Group Limited

Global Invacom Group Limited (“Global Invacom”) is the result of a reverse takeover of UK-based satellite equipment company - Global Invacom Holdings Limited, by SGX-ST listed Radiance Group Limited.

As a result of the merger, Global Invacom is now a fully integrated satellite equipment provider listed on the SGX Mainboard, with manufacturing plants in Shanghai and Shenzhen providing electronics manufacturing services in satellite communications, TV peripherals, computer peripherals, medical, and consumer electronics industries. It is also one of seven companies in the world involved in R&D, design and supply of satellite components and products to large-scale satellite broadcasters to offer a full range of LNB receivers, transmitters, switches and video distribution components. Its customers include satellite broadcasters such as BSkyB of the UK and DISH Network of the US.
