About Global Invacom Group Limited

Global Invacom is a fully integrated satellite equipment provider with six manufacturing plants across China, Israel, Malaysia, UK and the US. Its customers include satellite broadcasters such as BSkyB of the UK and Dish Network of the USA and Data over Satellite providers including Hughes Network Systems, Viasat and Gilat Satellite Networks.

Global Invacom provides a full range of antennas, LNB receivers, transceivers, fibre distribution equipment, transmitters, switches and video distribution components and electronics manufacturing services in satellite communications as well as manufacturing services in military, medical, and consumer electronics industries. Following the acquisition in 2015 of Global Skyware, a leading US-based designer and supplier of satellite antennas products and services, the Company became the world's only full-service outdoor unit supplier.

Global Invacom is listed on the Mainboard of the Singapore Exchange Securities Trading Limited and its shares are admitted to trading on the AIM Market of the London Stock Exchange.
